E & C

WE BUILD TRUST, OPPORTUNITY, AND LEGACY — ONE PROJECT, ONE PERSON, ONE BLOCK AT A TIME.

WHO WE ARE

At **Simply E & C**, we are more than just a certified Minority Business Enterprise — we are a family-owned construction force with deep roots on Chicago's West Side. Our workforce is homegrown, trained, union-affiliated, and invested in the same communities we serve. We don't just hire from the neighborhood — we build careers, guiding workers from the ground up into long-term union success.
